materials for chamber, Schott concertante, and vocal music originally conceived for wind instruments.

In this expanded and updated edition, *The Piano in Chamber Ensemble: An Annotated Guide* features over 3200 compositions, from duos to octets, by more than 1600 composers. Maurice Hinson and Wesley Roberts catalog published works for piano with two or more instruments with information on performance level, length, individual movements, overall style, and publisher. Divided into sections according to the number and types of instruments involved, *The Piano in Chamber Ensemble* then subdivides entries according to

"Nicolas Slonimsky's venerable single-volume reference is now a six-volume set, with better page layout and typeface, and a subject range outside its traditional concentration on classical music. Under new editorship since Slonimsky's death in 1995, coverage has expanded to over 1,000 new entries on classical music and over 2,000 new entries on jazz and popular music. Nice features
