The [A320 Study Guide](#) was created by a need to produce one document with all the information required to learn the basics of the A320 systems, limitations and the associated failures all in one place. There are many other great products or documents that go into the technical aspects in far greater detail than ours, however sometimes this can be a bit of an overload of information.

An Airbus A320 type rating is a solid bet for a versatile career! The A320 series ranked as the world's fastest-selling airline fleet family according to records from 2005 to 2007, and as the best-selling single-generation aircraft program. In October 2019, it surpassed the direct competitor, the Boeing 737, to become the highest-selling commercial aircraft ever. 8,796 aircraft are currently ...
