Originally published in 1968, Ursula K. Le Guin's *A Wizard of Earthsea* marks the first of the six now beloved Earthsea titles. Ged was the greatest sorcerer in Earthsea, but in his youth he was the reckless Sparrowhawk. In his hunger for power and knowledge, he tampered with long-held secrets and loosed a terrible shadow upon the world. This is the tumultuous tale of his testing, how he mastered the mighty words of power, tamed an ancient dragon, and crossed death's threshold to restore the balance. This ebook includes a sample chapter of *THE TOMBS OF ATUAN*.

A boy grows to manhood while attempting to subdue the evil he unleashed on the world as an apprentice to the Master Wizard.

A wizard enters the underground domain of Ahra, high priestess of the Powers of the Earth, in an attempt to steal her palace's greatest treasure.

When the prince of Enlad declares the wizards have forgotten their spells, Ged sets out to test the ancient prophecies of Earthsea.

Celebrating the 50th anniversary of the timeless and beloved *A Wizard of Earthsea* - '...reads like the retelling of a tale first told centuries ago' (David Mitchell) - comes this complete omnibus edition of the entire Earthsea chronicles, including over fifty illustrations illuminating Le Guin's vision of her classic saga. Contains the short story, 'The Daughter of Odren',

published in print for the first time, and her last story 'Firelight'. Ursula K. Le Guin's Earthsea novels are some of the most acclaimed and awarded works in literature—they have received prestigious accolades such as the National Book Award, a Newbery Honor, the Nebula Award, and many more honors, commemorating their enduring place in the hearts and minds of readers and the literary world alike. Now for the first time ever, they're all together in one volume—including the early short stories, Le Guin's "Earthsea Revised" Oxford lecture, and new Earthsea stories, never before printed. With a new introduction by Le Guin herself, this essential edition will also include over fifty illustrations by renowned artist Charles Vess, specially commissioned and selected by Le Guin, to bring her refined vision of Earthsea and its people to life in a totally new way. Stories include: 'A Wizard of Earthsea', 'The Tombs of Atuan', 'The Farthest Shore', 'Tehanu', 'Tales From Earthsea', 'The Other Wind', 'The Rule of Names', 'The Word of Unbinding', 'The Daughter of Odren', and 'Earthsea Revised: A Lecture at Oxford University' With stories as perennial and universally beloved as The Chronicles of Narnia and The Lord of The Rings—but also unlike anything but themselves—this edition is perfect for those new to the world of Earthsea, as well as those who are well-acquainted with its enchanting magic: to know Earthsea is to love it. - 1,008 pages - 56 illustrations (including seven lavishly coloured plate sections) - maps of Earthsea - stunningly beautiful endpapers - Six novels - 4 short stories - An essay

The windswept isles of Earthsea were famous for wizards, and the greatest was Ged. Hungry for power and knowledge he tampered with long-held secrets and loosed a terrible shadow upon the world.

Explores further the magical world of Earthsea through five tales of events which occur before or after the time of the original novels, as well as an essay on the people, languages, history, and magic of the place.

A Wizard of Earthsea * The Tombs of Atuan * The Farthest Shore * Tehanu Ged is but a goatherd on the island of Gont when he comes by his strange powers over nature. Sent to the School of Wizards on Roke, he learns the true way of magic and proves himself a powerful magician. And it is as the Archmage Sparrowhawk that he helps the High Priestess Tenar escape the labyrinth of darkness. But over the years, Ged witnesses true magic and the ancient ways submit to the forces of evil and death. Will he too succumb, or can he hold them back?

When Sparrowhawk, the Archmage of Earthsea, returns from the dark land stripped of his magic powers, he finds refuge with the aging widow Tenar and a crippled girl child who carries an unknown destiny.

For fourteen years, Weed, as she is called, the daughter of Lord Garnet, has brought offerings to the standing stone. Alone in a shallow valley, she implores the stone not to forget her. To remember who he is and the life he led. To wait until the day he will be avenged. Now the day has finally arrived. After fourteen long years of waiting, he will have his revenge and she will have her father back. Or will she? Master storyteller Ursula LeGuin takes readers back to Earthsea with this hauntingly beautiful tale of betrayal and revenge.
