Definition and Purpose of Abstracts An abstract is a short summary of your (published or unpublished) research paper, usually about a paragraph (c. 6-7 sentences, 150-250 words) long. A well-written abstract serves multiple purposes: an abstract lets readers get the gist or essence of your paper or article quickly, in order to decide whether to...

Writing an Abstract for Your Research Paper - The Writing ...  
Abstracts is published electronically four times a year. One issue includes abstracts for the annual winter meeting. The remaining three issues correspond to the sectional meetings. Subscribers should be aware that issues for the sectional meetings will be posted after the corresponding meetings occur. Abstracts of invited hour addresses and papers presented in special sessions or sessions for contributed papers are published.
