process that contextualizes skills, knowledge, and background to inform future success. Grounded in 'doing' rather than 'explaining,' students are encouraged to move aggressively through these steps for life-long career development. The revision focuses on setting and achieving career goals that offer long-term growth, and uses social networking media to create a vibrant exchange that supports mutual value and meaning. The opportunity to capitalize on the knowledge of fellow career seekers maximizes information sharing and reflection for better, more illuminated goal-setting and decision-making.

conversations from interviews with Industry Leaders, Brand Founders, and Luminaries from The Outdoor Biz Podcast. Capturing the flow of a conversation and intimacy of the spoken word in the written format of a book is not as powerful as hearing an actual voice. Maya Angelo said, "Words mean more than what is set down on paper. It takes the human voice to infuse them with deeper meaning" I think you will find the stories, advice, and insights from these interviews entertaining and educational. I recommend that you visit the podcast and listen to the episodes with guests that inspired and motivated you. You

Find Success and Happiness by Doing Work That Matters. Job Joy author, Kristen Zavo, knows what it's like to be successful by all outside measures, but still unhappy at work. Over the course of nearly two decades in traditional jobs, she's tried it all in pursuit of career happiness and fulfillment. In this guide, she passes on the knowledge of her experience, so you can shortcut your way to career happiness. You'll learn what worked (and what didn't), and the exact process that she discovered - and now uses with clients - so that they too, can turn things around and
