An Heir of Deception is the third book in Beverley Kendall ' s Elusive Lords series. While I don ' t think it ' s absolutely necessary to have read the previous books in the series, several of the characters from those books appear in this one and it might be useful to have a rough idea of who is who in advance of reading.

Thomas Armstrong vows only the loss of his faculties could ever convince him to take Amelia Bertram under his care during her father's absence from England. Sadly, that loss does occur... the moment Lady Amelia publicly states that rumors of his exalted sexual prowess are more fable than fact. Responding like any man with an ounce of pride would, he picks up the gauntlet she threw down on the ballroom floor. After the death of her mother, Amelia Bertram is further devastated by the withdrawal of her father's love. To survive the double heartbreak, she walls off her emotions. Now, her social faux pas finds her sharing a roof with the very man who took her place in her father's affections... the man her father hopes one day to call son. In the seclusion of his country estate, Thomas glimpses in Amelia a vulnerability buried beneath a mountain of jealousy and pain. In turn, she discovers the ton's 'golden Greek god' is more than the sum of rumor and innuendo. Soon a fire ignites between them not even a deluge from the Thames can extinguish. Can they set aside their plans—his for revenge, hers to escape—to forge a love powerful enough to surmount his pride and crumble the walls surrounding her heart? *Reissue. Based on the reality of our actions having far-reaching consequences, Heir of Deception is the beginning of a family saga trilogy, which begins in the 1970's. Raised by her Shawnee mother in the dying Appalachian settlement of Wapiti, Rachel Brittain never knew her father's identity. After her mother's death, Rachel moves to Eastridge and begins a new life, embracing a successful career and the man she loves. Her world seems complete when she finds acceptance in her new family. Soon her world begins to unravel when, after twenty years of deceit, secrets from her parents' past surface. Rachel is the heir of her parents' deception, but there are others caught in this web of dishonesty - and one of them is willing to commit murder.

A fake engagement brings together a lady with bold and daring dreams, and the heir whose heart she captured—perfect for fans of Bridgerton! Tall, dark, and brooding—to say that American Maxwell Crenshaw stood out in the glittering ballrooms of London is an understatement. He vowed never to set foot in England again, but when a summons from his father along with an ultimatum to secure his legacy has him crossing the Atlantic for the last time, reuniting him with the delectable Lady Helena March, he can't deny the temptation she presents. Or the ideas she inspires... Lady Helena March is flirting with scandal. Instead of spending her time at teas and balls in search of another husband, as is expected of a young widow, Helena pours her energy into The London Home for Young Women. But Society gives no quarter to unmarried radicals who associate with illegitimate children and fallen women, and Helena's funding is almost run out. So when the sinfully seductive Crenshaw heir suggests a fake engagement to save them both—him from an unwanted marriage and her from scorn and financial ruin—Helena finds herself too fascinated to refuse the sexy American. As their arrangement of convenience melts oh so deliciously into nights of passion, their deception starts to become real. But if Max knew the true reason Helena can never remarry, he wouldn't look at her with such heat in his eyes. Or might the Crenshaw heir be willing to do whatever it takes to win the one woman he's never been able to forget...

War hero and daughter to two Houses, Kira is just beginning to learn how deep the rabbit hole goes. Agreeing to accompany her father's people back to their homeworld, Kira Forrest prepares for the fight of her life. She's agreed to undertake the Trial of the Broken, a rite of passage every member of her father's House must pass. It offers a path to independence and freedom that is too tempting to deny. Not everyone welcomes this lost daughter of Roake. There are those who fear what her presence might bring to light. Betrayal stalks the halls of Kira's birthplace—its roots embedded deep in the events that claimed her parent's lives and set her on her current path. Walking the wire's edge between truth and deception will test the person Kira has become as she separates ally from betrayer. An old enemy has put into motion a plan that could topple the balance of power in the universe. Letting them succeed spells doom—but the price might

be more than Kira is willing to pay.

SECRET HEIR is the first book of the all new DYNASTY trilogy. A loose adaption of Romeo and Juliet but with a fantastical twist, this saga of feuding Dynasties, forbidden love, betrayal, royal scandals and power struggles for the crown promises to ensnare, captivate and shatter then leave readers clawing for more.

A debut entry in a new trilogy by the author of the Jenna Fox Chronicles introduces Princess Lia, who flees an unwanted marriage and expectations about her supernatural legacy only to be pursued by her jilted fiancé and a ruthless assassin.

A legacy maid in Manhattan In desperation to save her father, housekeeper Rose O'Malley thinks she can trap a man. But the second she faces Zac Valenti and the force of his palpable sensuality, she knows she can't go through with it! Before she can call off her deception, Manhattan's most eligible bachelor sweeps Rose off her feet—and into his bed! Stealing away like a guilty Cinderella, Rose vows never to see Zac again...until she discovers she's pregnant and Zac demands his passionate betrayer and his baby remain under his control!
