A collection of the author's lesser-known writings includes stories, personal reminiscences, previously deleted excerpts from her diary, and an unfinished novel composed while she was hidden from the Nazis.

This New York Times bestselling novel from acclaimed author Walter Dean Myers tells the story of Steve Harmon, a teenage boy in juvenile detention and on trial. Presented as a screenplay of Steve's own imagination, and peppered with journal entries, the book shows how one single decision can change our whole lives. Monster is a multi-award-winning, provocative coming-of-age story that was the first-ever Michael L. Printz Award recipient, an ALA Best Book, a Coretta Scott King Honor selection, and a National Book Award finalist. Monster is now a major motion picture called All Rise and starring Jennifer Hudson, Kelvin Harrison, Jr., Nas, and ASAP Rocky. The late Walter Dean Myers was a National Ambassador for Young People's Literature, who was known for his commitment to realistically depicting kids from his hometown of Harlem.

A timeless story rediscovered by each new generation, The Diary of a Young Girl stands without peer. For both young readers and adults it continues to capture the remarkable spirit of Anne Frank, who for a time survived the worst horror the modern world has seen—and who remained triumphantly and heartbreakingly human throughout her ordeal. Adapted by Ari Folman, illustrated by David Polonsky, and authorized by the Anne Frank Foundation in Basel, this is the first graphic edition of The Diary and includes extensive quotation directly from the definitive edition. It remains faithful to the original, while the stunning illustrations interpret and add layers of visual meaning and immediacy to this classic work of Holocaust literature.

In May 2005 Penguin will publish 70 unique titles to celebrate the company's 70th birthday. The titles in the Pocket Penguins series are emblematic of the renowned breadth of quality of the Penguin list and will hark back to Penguin founder Allen Lane's vision of good books for all'. father. She kept it from 12 June 1942 to 1 August 1944. In this diary, which she addressed to an imaginary friend called Kitty, Anne wrote about her life - first in Nazi-occupied Amsterdam and then, when the Nazi persecution of Jews forced her family into hiding, in the sealed-off back rooms of an Amsterdam office building, which they referred to as the Secret Annexe'. Anne had always dreamed of being a writer and hoped one day to publish her diary. This extract from the Definitive Edition of Anne's diary begins on Tuesday 10 November 1942.

"Whether you call them research guides, subject guides or pathfinders, web-based guides are a great way to create customized support tools for a specific audience: a class, a group, or anyone engaging in research. Studies show that library guides are often difficult, confusing, or overwhelming, causing users to give up and just fall back on search engines such as Google. How can librarians create more effective, less confusing, and simply better research guides? In Modern Pathfinders: Creating Better Research Guides, author Jason Puckett takes proven ideas from instructional design and user experience web design and combines them into easy-to-understand principles for making your research guides better teaching tools. It doesn't matter what software your library uses; the advice and techniques in this book will help you create guides that are easier for your users to understand and more effective to use"--

"So many of the children in this classroom are Ho-Chunk, and it brings history alive to them and makes it clear to the rest of us too that this isn't just...Natives riding on horseback. There are still Natives in our society today, and we're working together and living side by side. So we need to learn about their ways as well." --Amy Laundrie, former Lake Delton Elementary School fourth grade teacher An essential title for the upper elementary classroom, "Native People of Wisconsin" fills the need for accurate and authentic teaching materials about Wisconsin's Indian Nations. Based on her research for her award-winning title for adults, "Indian Nations of Wisconsin: Histories of Endurance and Survival," author Patty Loew has tailored this book specifically for young readers. "Native People of Wisconsin" tells the stories of the twelve Native Nations in Wisconsin, including the Native people's incredible resilience despite rapid change and the impact of European arrivals on Native culture. Young readers will become familiar with the unique cultural traditions, tribal history, and life today for each nation. Complete with maps, illustrations, and a detailed glossary of terms, this highly anticipated new edition includes two new chapters on the Brothertown Indian Nation and urban Indians, as well as updates on each tribe's current history and new profiles of outstanding young people from every nation.

Diese Einführung in englischer Sprache präsentiert in 14 Kapiteln die grundlegenden Themen und Gegenstandsbereiche der Englischdidaktik. Gleichermaßen praxisnah wie theoretisch fundiert, behandelt der Band zentrale Prinzipien und Kompetenzbereiche eines modernen Fremdsprachenunterrichts. Ausgehend von den zentralen Akteur/innen (Lehrende und Lernende) und mit Blick auf die Teilbereiche der Sprach-, Literatur- und Kulturdidaktik werden zudem Vorschläge für den Einsatz unterschiedlicher Materialien und Medien diskutiert. Weitere Kapitel widmen sich den institutionellen Organisationsstrukturen und dem Bereich Assessment/Diagnose. Der Band erscheint in zweifarbiger Gestaltung, mit Definitionen und Beispielen sowie mit zahlreichen Abbildungen. This comprehensive introduction presents the fundamental topics and issues of TEFL (Teaching English as a Foreign Language) in 14 chapters. Integrating both profound theoretical and creative practical considerations, the central principles and competence domains of modern foreign language teaching are discussed. Starting with the main classroom agents (teachers and learners), the chapters outline a variety of content areas (language, literature, cultural issues) and thoroughly review materials, media and methods. Additional chapters are concerned with the historical development of English language teaching, its current institutional organisation as well as assessment and evaluation.
