Traditions & Encounters offers an inclusive vision of the global past—one that is meaningful and appropriate for the interdependent world of contemporary times. Given the diversity of human societies, gathering and organizing the sheer mass of information in a meaningful way is a daunting challenge for any world history survey course. The seven-part chronological organization enables students to understand the development of the world through time, while also exploring broader, big-picture thematic issues in world history. Through new and revised chapter-level and part-level features, the

hallmark twin themes of traditions and encounters emerge in greater clarity than ever before in this sixth edition. As a result, students have resources that enable them to move beyond the facts of history and examine the past critically, analyze causes and effects, and recognize similarities and differences across world regions and time periods. By digging deeper into the implications of world history ' s stories—not just the who, the what, and the where, but also the why and the how—students can make sense of the human past. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

Taureans, ever wondered what the Sun-signs tell you about love and life? This unique anthology of poems for love and life relates directly to your Sun-sign, Taurus. If you were born between the 21st of April and the 21st of May, you will relate to many of the themes identified with your sign's characteristics and personality traits. The poems in this collection have been chosen because they reflect a Taurean attitude to life. They appeal to the interests 'ruled' by your sign; the animals,

one or more of their top-choice colleges.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).
