From the author of the celebrated classic Louder Than Hell comes an oral history of the badass Heavy Metal lifestyle—the debauchery, demolition, and headbanging dedication—featuring metalhead musicians from Black Sabbath and Judas Priest to Twisted Sister and Quiet Riot to Disturbed, Megadeth, Throwdown and more. In his song "You Can't Kill Rock and Roll" Ozzy Osbourne sings, "Rock and roll is my religion and my law." This is the mantra of the metal legends who populate Raising Hell—artists from Black Sabbath, Judas Priest, Slipknot, Slayer, and Lamb of God to Twisted Sister, Quiet Riot, Disturbed, Megadeth, and many more! It's also the guiding principle for underground voices like Misery Index, Gorgoroth, Municipal Waste, and Throwdown. Through the decades, the metal scene has been populated by colorful individuals who have thwarted convention and lived by their own rules. For many, vice has been virtue, and the opportunity to record albums and tour has been an invitation to push boundaries and blow the lid off a Pandora's box of riotous experiences: thievery, vandalism, hedonism, the occult, stage mishaps, mosh pit atrocities, and general insanity. To the figures in this book, metal is a means of banding together to stick a big middle finger to a society that had already decided they didn't belong. Whether they were oddballs who didn't fit in or angry kids from troubled backgrounds, metal gave them a sense of identity. Drawing from 150-plus first-hand interviews with vocalists, guitarists, bassists, keyboardists, and drummers, music journalist Jon Wiederhorn offers this collection of wild shenanigans from metal's heaviest and most iconic acts—the parties, the tours, the mosh pits, the rage, the joy, the sex, the drugs . . . the heavy metal life! Horns up!

With fuel costs and parking charges it's no wonder the consumer is looking for less expensive forms of travel. This book is aimed at the rider who wants to do his or her own basic scooter maintenance and servicing without the need for in-depth mechanical knowledge, or a technical manual. It covers areas such as oil, brakes, tyres, transmission, electrics, etc, allowing the owner to address the most regularly serviced items without forking out for additional costs. Illustrated with full colour photographs throughout, and featuring clear, easy-to-follow instructions, this book is a must-have for scooter users.

The definitive oral history of heavy metal, Louder Than Hell by renowned music journalists Jon Wiederhorn and Katherine Turman includes hundreds of interviews with the giants of the movement, conducted over the past 25 years. Unlike many forms of popular music, metalheads tend to embrace their favorite bands and follow them over decades. Metal is not only a pastime for the true aficionados; it's a lifestyle and obsession that permeates every aspect of their being. Louder Than Hell is an examination of that cultural phenomenon and the much-maligned genre of music that has stood the test of time. Louder than Hell features more than 250 interviews with some of the biggest bands in metal, including Black Sabbath, Metallica, Megadeth, Anthrax, Slayer, Iron Maiden, Judas Priest, Spinal Tap, Pantera, White Zombie, Slipknot, and Twisted Sister; insights from industry insiders, family members, friends, scenesters, groupies, and journalists; and 48 pages of full-color photographs.
