The Audubon Guide to Binoculars Whether you're a novice looking for your first set of bins or an experienced birder looking for an upgrade, we cover excellent options for every budget. Binoculars are an essential tool for birders, but with so many models on the market, it can be daunting to find the perfect pair. It's been three years since we first published our binoculars guide, so this summer we once again turned to professional ornithologists and dedicated birders to put a wide array ...

The Audubon Guide to Buying Binoculars - Budget to Premium ...

One of the newest premium binoculars on the market comes from Nikon in either 8x30 or – as we've selected for our top pick – 10x30 options. The Nikon Monarch HG 10x30 binoculars are not only compact and relatively portable at 450g, the magnesium alloy build has the benefit of being water and fog proofed too. The idea is that these ape the performance of Nikon's Monarch HG 42mm diameter version, but in a smaller body.
