Now a major motion picture starring Johnny Depp A New York Times Bestseller A Boston Globe Bestseller An ABA Indie Bestseller James " Whitey " Bulger became one of the most ruthless gangsters in US history, and all because of an unholy deal he made with a childhood friend. John Connolly a rising star in the Boston FBI office, offered Bulger protection in return for helping the Feds eliminate Boston's Italian mafia. But no one offered Boston protection from Whitey Bulger, who, in a blizzard of gangland killings, took over the city's drug trade. Whitey's deal with Connolly's FBI spiraled out of control to become the biggest informant scandal in FBI history. Black Mass is a New York Times and Boston Globe bestseller, written by two former reporters who were on the case from the beginning. It is an epic story of violence, double-cross, and corruption at the center of

which are the black hearts of two old friends whose lives unfolded in the darkness of permanent midnight.

Chronicles the criminal career of the gangster who provided a protection racket against drug lords, ran illegal gambling, robbed banks, and served as an informant for the FBI until going into hiding for sixteen years.

Most Wanted is the riveting account of former head of Massachusetts state police Thomas J. Foley's twenty-year pursuit of murderous Boston gangster Whitey Bulger— and of Foley's key role in exposing the FBI's protection of Bulger's criminal empire. This is a true-life thriller, and Tom Foley is the hero at its center. His investigative efforts resulted in criminal convictions of a half-dozen of Boston's most notorious thugs and also led to the conviction of John Connolly, one of the FBI agents who abetted Bulger; Connolly is serving a forty-year prison sentence and Bulger is now finally in custody after spending sixteen years on the FBI's Most Wanted list. It is known that Bulger was a secret informant for the FBI, but it has never been revealed—until now—that the FBI was actually actively protecting Bulger from Foley, effectively derailing Foley's efforts to stop Bulger's horrific crime sprees time and again. In this book, Foley, a cop's cop, honestly recounts how his wide-eyed admiration for the nation's top law enforcement agency was gradually transformed by dark realities he didn't want to believe.

From the bestselling authors of Black Mass comes the definitive biography of Whitey Bulger, the most brutal and sadistic crime boss since Al Capone. Drawing on a trove of sealed files and previously classified material, Whitey digs deep into the mind of James J. “ Whitey ” Bulger, the crime boss and killer who brought the FBI to its knees. He is an American original --a psychopath who fostered a following with a frightening mix of terror, deadly intimidation and the deft touch of a politician who often helped a family in need meet their monthly rent. But the history shows that despite the early false myths portraying him as a Robin Hood figure, Whitey was a supreme narcissist, and everything--every interaction with family and his politician brother Bill Bulger, with underworld cohorts, with law enforcement, with his South Boston neighbors, and with his victims--was always about him. In an Irish-American neighborhood where loyalty has always been rule one, the Bulger brand was loyalty to oneself. Whitey deconstructs Bulger's insatiable hunger for power and control. Building on their years of reporting and uncovering new Bulger family records, letters and prison files, Dick Lehr and Gerard O'Neill examine and reveal the factors and forces that created the monster. It's a deeply rendered portrait of evil that spans nearly a century, taking Whitey from the streets of his boyhood Southie in the 1940s to his cell in Alcatraz in the 1950s to his cunning, corrupt pact with the FBI in the 1970s and, finally, to Santa Monica, California where for fifteen years he was hiding in plain sight as one of the FBI's Ten Most Wanted. In a lifetime of crime and murder that ended with his arrest in June 2011, Whitey Bulger became one of the most powerful and deadly crime bosses of the twentieth century. This is his story.

The almost unbelievable story of endemic corruption, and the official condoning by the FBI of violent crimes committed by James “ Whitey ” Bulger and his South Boston Irish mob, entered a new chapter with Bulger ' s arrest in California. For decades the FBI let Bulger get away with murder, protecting him from prosecution for crimes it knew he had committed and allowing

## Get Free Black M Whitey Bulger The Fbi And A Devils Deal

him continued control of his criminal enterprise in exchange for information about the rival Italian mafia and even members of his own gang. During the 1980s, Edward J. MacKenzie, Jr., “ Eddie Mac, ” was a drug dealer and enforcer who would do just about anything for Bulger. In this compelling eyewitness account, the first from a Bulger insider, Eddie Mac delivers the goods on his one-time boss and on such former associates as Stephen "The Rifleman" Flemmi and turncoat FBI agent John Connolly. Eddie Mac provides a window onto a world rarely glimpsed by those on the outside. Street Soldier is also a story of the search for family, for acceptance, for respect, loyalty, and love. Abandoned by his parents at the age of four, MacKenzie became a ward of the state of Massachusetts, suffered physical and sexual abuse in the foster care system, and eventually drifted into a life of crime and Bulger's orbit. The Eddie Mac who emerges in these pages is complex: An enforcer who was also a kick-boxing and Golden Gloves champion; a womanizer who fought for custody of his daughters; a tenth-grade dropout living on the streets who went on, as an adult, to earn a college degree in three years; a man, who lived by the strict code of loyalty to the mob, but set up a sting operation that would net one of the largest hauls of cocaine ever seized. Eddie's is a harsh story, but it tells us something important about the darker corners of our world. Street Soldier is as disturbing and fascinating as a crime scene, as heart-stopping as a bar fight, and at times as darkly comic as Quentin Tarantino ' s Pulp Fiction or Martin Scorsese ' s Good Fellas.

In Gangs and Organized Crime, George W. Knox, Gregg W. Etter, and Carter F. Smith offer an informed and carefully investigated examination of gangs and organized crime groups, covering street gangs, prison gangs, outlaw motorcycle gangs, and organized crime groups from every continent. The authors have spent decades investigating gangs as well as researching their history and activities, and this dual professional-academic perspective informs their analysis of gangs and crime groups. They take a multidisciplinary approach that combines criminal justice, public policy and administration, law, organizational behavior, sociology, psychology, and urban planning perspectives to provide insight into the actions and interactions of a variety of groups and their members. This textbook is ideal for criminal justice and sociology courses on gangs as well as related course topics like gang behavior, gang crime and the inner city, organized crime families, and transnational criminal groups. Gangs and Organized Crime is also an excellent addition to the professional ' s reference library or primer for the general reader. More information is available at the supporting website – [www.gangsandorganizedcrime.com](http://www.gangsandorganizedcrime.com)

Explores the life of Johnny Martorano and the role he played in the world of Boston's organized crime, discussing not only the exploits of Martorano, his partner Whitey Bulger, and the Winter Hill Gang, but also the corrupt politicians and G-Men involved.

The riveting New York Times bestseller by the award-winning columnist—now with a stunning new afterword detailing Whitey Bulger ' s capture. For years their familiar story was of two siblings who took different paths out of South Boston: William “ Billy ” Bulger, former president of the Massachusetts State Senate; and his brother James “ Whitey ” Bulger, a vicious criminal who became the FBI ' s second most-wanted man after Osama Bin Laden. While Billy cavorted with the state ' s blue bloods to become a powerful political force, Whitey blazed a murderous trail to the top rung of organized crime. Now, in this compelling

narrative, Carr uncovers a sinister world of FBI turncoats, alliances between various branches of organized crime, St. Patrick ' s Day shenanigans, political infighting, and the complex relationship between two brothers who were at one time kings. “ A smashing true crime book . . . a rich depiction of a city gone bad and a superb meditation on personal and official corruption. Howie Carr brilliantly analyzes, scrutinizes, indicts . . . A howl of rage at the most hellish old-boy network imaginable. ” —James Ellroy, New York Times-bestselling author “ Crime and politics pay off big-time in Howie Carr ' s two-fisted account of the brothers Bulger. I laughed, I cried, and I kept turning the pages of this outrageous true story of zany mobsters, political hacks, and corrupt G-men. ” —Mike Stanton, New York Times-bestselling author

Welcome to Boston ' s criminal underworld Author covers crime for the Boston Globe An entire chapter dedicated to Whitey Bulger: “ Whitey ' s World ” 150 photos from author ' s own Boston crime archives and more Organized criminals have haunted Greater Boston ' s history, lurking just around the corner or inside that nondescript building. Packed with photos, sidebars, and maps, Gangland Boston reveals the secrets of these places, showing how the Italian mafia and Irish gangs rose to power, how the Winter Hill gang ascended to prominence, and how James “ Whitey ” Bulger became the region ' s most feared crime boss. These are the places where deals were made, people were killed, and bodies were unearthed. From South Boston to the North End, Chinatown, Downtown, and Charlestown; Somerville, Brookline, and more . . . come and see where mobsters lived, worked, ate, played, and died.

In this irreverent ode to gonzo journalism, one writer travels the globe to explore the use of recreational drugs in cultures around the world. After I got out of jail, I was determined to find out more about how the issue of drugs not only landed me there, but has shaped the entire world: wars, scandals, coups, revolutions. I read every book, watched every documentary. I saved up to buy plane tickets. I went to Colombia, Mexico, Russia, Italy, Japan and the Afghan border—all in all, fifteen countries across five continents. Call me Narco Polo. Just as Anthony Bourdain's No Reservations did for the world of food, Dopeworld is an intoxicating journey into the world of drugs. From the cocaine farms in South America to the streets of Manila, Dopeworld traces the emergence of psychoactive substances and our intimate relationship with them. As a former drug dealer turned subversive scholar, with unparalleled access to drug lords, cartel leaders, street dealers and government officials, journalist Niko Vorobyov attempts to shine a light on the dark underbelly of the drug world. At once a bold piece of journalism and a hugely entertaining travelogue, Dopeworld is a brilliant and enlightening journey across the world, revealing how drug use is at the heart of our history, our lives, and our future.
