2021-2022 edition of the Veterans Benefits Manual has been thoroughly updated with the important developments in veterans' law over the past year. The most significant new information in the recent edition of the Manual has been about the Veterans Appeals Improvement and Modernization Act of 2017 (AMA), which took effect on February 19, 2019. There is updated information in the 2021-2022 edition of the Manual about how the new modernized review system has been operating in practice. Most of that information appears in Chapters 12, 13, and 16. Highlights of the other updates include advocacy essentials such as: New advice for deciding which options to pursue to overcome BVA decisions denying legacy claims and claims subject to the new AMA system (Sections 14.1.1 and 14.1.2); Discussion of the recent changes to VA policies and procedures

African agriculture is currently at a crossroads, at which persistent food shortages are compounded by threats from climate change. But, as this book argues, Africa can feed itself in a generation and can help contribute to global food security. To achieve this Africa has to define agriculture as a force in economic growth
