book, visit William A. Barnett's weblog at <http://economistmind.blogspot.com/>. Acclaim for Inside the Economist's Mind "In candid interviews, these great economists prove to be fabulous story tellers of their lives and times. Unendingly gripping for insiders, this book should also help non-specialists understand how economists think." Professor Julio Rotemberg, Harvard University Business School, and Editor, Review of Economics and Statistics. "Economics used to be called the 'dismal science'. It will be impossible for anybody to hold that view anymore ... This is science with flesh and blood, and a lot of fascinating stories that you will find nowhere else." Dr. Jean-Pascal Bénassy, Paris-Jourdan Sciences Économiques, Paris, France "This book provides a rare and intriguing view of the personal and professional lives of leading economists ... It is like A Beautiful Mind, scaled by a factor of 16 [the number of interviews in the book]." Professor Lee Ohanian, University of California at Los Angeles " ... if you want an insider view of how economics has been developing in the last decades, this is the (only) book for you." Professor Giancarlo Gandolfo, University of Rome 'La Sapienza,' Rome "Here we see the HUMAN side of path-breaking research, the personalities and pitfalls, the DRAMA behind the science." Professor Francis X. Diebold, University of Pennsylvania, Philadelphia
