End every manager's nightmare: conducting performance appraisals.

Do you supervise people? If so, this book is for you. One of a manager's toughest—and most important—responsibilities is to evaluate an employee's performance, providing honest feedback and clarifying what they've done well and where they need to improve. In How to Be Good at Performance Appraisals, Dick Grote provides a concise, hands-on guide to succeeding at every step of the performance appraisal process—no matter what performance management system your organization uses. Through step-by-step instructions, examples, do-and-don't bullet lists, sample dialogues, and suggested scripts, he shows you how to handle every appraisal activity from setting goals and defining job responsibilities to evaluating performance quality and discussing the performance evaluation face-to-face. Based on decades of experience guiding managers through their biggest challenges, Grote helps answer the questions he hears most often: • How do I set goals effectively? How many goals should someone set? • How do I evaluate a person's behaviors? Which counts more, behaviors or results? • How do I determine the right performance appraisal rating? How do I explain my rating to a skeptical employee? • How do I tell someone she's not meeting my expectations? How do I deliver bad news? Grote also explains how to tackle other thorny performance management tasks, including determining compensation and terminating poor performers. In accessible and useful language, How to Be Good at Performance Appraisals will help you handle performance appraisals confidently and successfully, no matter the size or culture of your organization. It's the one book you need to excel at this daunting yet critical task.

Get the Job You Want, Even When No One's Hiring You CAN find a good job in a bad economy -- but NOT with conventional search strategies. Best of all, you'll learn how to "recession-proof" your career for the long term. Can YOU Get the Job You Want, Even When No One's Hiring? With this powerful new book -- YES, you can!

The performance review. It is one of the most insidious, most damaging, and yet most ubiquitous of corporate activities. We all hate it. And yet nobody does anything about it. Until now... Straight-talking Sam Culbert, management guru and UCLA professor, minces no words as he puts managers on notice that -- with the performance review as their weapon of choice -- they have built a corporate culture based on intimidation and fear. Teaming up with Wall Street Journal Senior Editor Lawrence Rout, he shows us why performance reviews are bogus and how they undermine both creativity and productivity. And he puts a good deal of the blame squarely on human resources professionals, who perpetuate the very practice that they should be trying to eliminate. But Culbert does more than merely tear down. He also offers a substitute -- the performance review -- that will actually accomplish the tasks that performance reviews were supposed to, but never will: holding people accountable for their actions and their results, and giving managers and their employees the kind of feedback they need for improving their skills and to give the company more of what it needs. With passion, humor, and a rare insight into what motivates all of us to do our best, Culbert offers all of us a chance to be better managers, better employees and, indeed, better people. Culbert has long said his goal is to make the world of work fit for human consumption. "Get Rid of the Performance Review!" shows us how to do just that.

With changes in the economy, the job market, technology, and the law, human resources professionals and department managers alike are facing new challenges. Luckily, the second edition of The HR Answer Book covers these developments and addresses more than 200 questions that every employer needs to deal with, from recruiting and hiring to discipline and downsizing, compensation and benefits to training and employee relations. The new edition contains revised and expanded sections on FMLA, health insurance changes, and compensation laws, as well as information on salary reductions and using social networking to recruit employees. It is also packed with ready-to-use tools and checklists including: * 10 Questions to Ask Before Scheduling an Interview * Job Applicant Flow Logs * Performance Goals forms * Exit Interview Questionnaire * And more The HR Answer Book is an easy-to-use problem solver that can be read cover-to-cover or as a quick reference in specific situations.

Covers the performance review from goal-setting to evaluation with examples of forms and techniques, provides advice for effective communication, and includes legal tips.

Whether you're an HRprofessional or a manager, chances are there's one task you really dislike: giving performance reviews. Even if you know the basic points you want to get across, finding the right words and committing them to paper is about as much fun as a trip to the dentist. But this handy little book puts thousands of ready-to-use words, phrases, descriptions, and action items right at your fingertips. Paul Falcone covers the 25 most commonly rated performance factors, including productivity, time management, teamwork, and decision making, plus job-specific parameters that apply in sales, customer service, finance, and many other areas. Not just for review time, the book will also be instrumental in creating job descriptions and development plans as well as for monitoring performance, progress, and problems year-round. Praise for Paul Falcone's Previous Books: "If the art and science of hiring and firing has become a puzzle, then author Paul Falcone [The Hiring and Firing Question and Answer Book] has the answer."-- Houston Business Journal "When you feel the need to document an employee's actions (or inactions), turn to this great tool [101 Sample Write-Ups for Documenting Employee Performance Problems]."-- Legal Management "[96 Great Interview Questions to Ask Before You Hire] takes the guesswork out of the interview process."-- Benefits and Compensation Solutions Paul Falcone is a human resources executive and has held senior-level positions with Nickelodeon, Paramount Pictures, and Time Warner. He is the author of several bestselling books, including 101 Sample Write-Ups for Documenting Employee Performance Problems, 101 Tough Conversations to Have with Employees, and 2600 Phrases for Setting Effective Performance Goals. He is a long-time contributor to HR Magazine. Visit him at www.PaulFalconeHR.com.
