20 rules to start a successful business today What do the pits of the Chicago and New York trading floors, Lehman Brothers, the Russian mob, addiction, alcoholism, starting businesses with nothing more than an idea, and Central and Eastern Europe all have in common? They have all played a part in the remarkable life story of Paul Oberschneider. An extraordinary entrepreneur who has built a \$200 million business from scratch... in a foreign country and market he had no experience of, and no connections in (he didn't even speak the language)... starting with just \$400 in his pocket. Paul's business success has included:

- Building 2 million square feet of shopping centre space
- Building 5 five-star boutique hotels in Estonia, Latvia, Lithuania, and Poland
- Building an agency business of 850 people across

There are hundreds of books out there on sales, but *7 Secrets to Successful Sales Management* is one of the few aimed directly at the most critical person in the sales organization: the sales manager. A practical, hands-on guide, the book presents an integrated approach to sales management and combines the author's experience with innovative strategies for motivating your sales force, recruiting quality sales people, and training new employees. Written by a grizzled veteran, the book reflects his success and allows you to learn from his mistakes. As Jack Wilner is fond of saying, "Nothing in this book is

amazing quotes that I have ever seen. This book is meant to be a higher education contained in small quotations of living energy that jolt your thought process and cause a light to pop on and shift the way that you think. A quote from Oliver Wendell Holmes Jr. says that a mind once expanded by a new experience, never returns to its original dimensions. My goal for this book is to jolt you and stretch you mentally, spiritually and emotionally to new dimensions.
