Things to know about the great outdoors. For children. Do you like the great outdoors, do you like adventure? Then why not join B! and see what you can discover together. Nature is so important to us, lets help it out. B! would love that too.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The extraordinary story of a Dalit family in southern India Poised to inherit a huge tract of land gifted by the Nizam to his father, twenty-one-year-old Narsiah loses it to a feudal lord. This triggers his migration from Vangapally, his ancestral village in the Karimnagar District of Telangana - the single most important event that would free his family and future generations from caste oppression. Years later, it saves his son Baliah from the fate reserved for most Dalits: a life of humiliation and bonded labour. A book written with the desire to make known the inhumanity of untouchability and the acquiescence and internalization of this condition by the Dalits themselves, Y.B. Satyanarayana chronicles the relentless struggle of three generations of his family in this biography of his father. A narrative that derives its strength from the simplicity with which it is told, My Father Baliah is a story of great hardship and greater resilience.

A masterful storyteller with the compassion of a physician, Luke paints a picture of Jesus as healer, full of mercy, forgiveness, and love. The Gospel of Luke features the lovely Magnificat, Mary's love song to God, and the nativity story heard in Christmas pageants around the world. Luke includes three parables not heard in any other gospel: the prodigal son, the good Samaritan, and the unjust judge. Luke, also believed to be the author of the book of Acts, emphasizes prayer as central to the life of faith. Join the journey with Luke with fifty days of scripture readings, meditations, and prayers written by dynamic spiritual leaders from around the world. A Journey with Luke is part of a series of fifty-day Bible studies and is an extension of the Bible Challenge, a global initiative to encourage daily engagement with the Word of God. ?
