Jesus explains: " If anyone does not remain in union with me, he is thrown out. " On the other hand, Jesus says: " If you remain in union with me and my sayings remain in you, ask whatever you wish and it will take place for you. " —John 15:5-7. Now Jesus returns to what he has mentioned twice —keeping his commandments.

It is Bethlehem's connection with Jesus that has guaranteed its place in Christian history. By the time of Christ's birth, Bethlehem had declined in significance to a small village. Three gospel accounts (Matthew 2:1–12, Luke 2:4–20, and John 7:42) report that Jesus was born in the humble town of Bethlehem.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

When Jesus of Nazareth began proclaiming the kingdom of God early in the first century, he likely had no intention of starting a new religion, especially one that included former pagans. Yet a new religion did eventually develop—one that not only included non-Jews but was soon dominated by them. How did this happen? Jesus Followers in the Roman Empire by Paul Duff offers an accessible and informed account of Christian origins, beginning with the teaching of Jesus and moving to the end of the first century. Duff's narrative shows how the rural Jewish movement led by Jesus developed into a largely non-Jewish phenomenon permeating urban centers of the Roman Empire. Paying special attention to social, cultural, and religious contexts--as well as to early Christian ideas about idolatry, marriage, family, slavery, and ethnicity--Jesus Followers in the Roman Empire will help readers cultivate a deeper understanding of the identity, beliefs, and practices of early Christ-believers.

New York Times bestselling author and Bible expert Bart Ehrman reveals how Jesus ' s divinity became dogma in the first few centuries of the early church. The claim at the heart of the Christian faith is that Jesus of Nazareth was, and is, God. But this is not what the original disciples believed during Jesus ' s lifetime—and it is not what Jesus claimed about himself. How Jesus Became God tells the story of an idea that shaped Christianity, and of the evolution of a belief that looked very different in the fourth century than it did in the first. A master explainer of Christian history, texts, and traditions, Ehrman reveals how an apocalyptic prophet from the backwaters of rural Galilee crucified for crimes against the state came to be thought of as equal with the one God Almighty, Creator of all things. But how did he move from being a Jewish prophet to being God? In a book that took eight years to research and write, Ehrman sketches Jesus ' s transformation from a human prophet to the Son of God exalted to divine status at his resurrection. Only when some of Jesus ' s followers had visions of him after his death—alive again—did anyone come to think that he, the prophet from Galilee, had become God. And what they meant by that was not at all what people mean today. Written for secular historians of religion and believers alike, How Jesus Became God will engage anyone interested in the historical developments that led to the affirmation at the heart of Christianity: Jesus was, and is, God.

Karoline Lewis draws together the strengths of two exegetical approaches to the Gospel of John in this volume of the Fortress Biblical Preaching Commentaries series. Lewis takes a broad thematic approach to the Gospel while at the same time giving exegetical and homiletical insights about individual pericopes. Readers, preachers, and their parishioners will have a deeper appreciation of the book's unique interpretation of the Christ event and how that influences their approach to living the Christian faith in today's world.

This edited volume delves into the current state of Iron Age and Early Medieval research in the North. Over the last two decades of archaeological explorations, theoretical vanguards, and introduction of new methodological strategies, together with a growing amount of critical studies in archaeology taking their stance from a multidisciplinary perspective, have dramatically changed our understanding of Northern Iron Age societies. The profound effect of 6th century climatic events on social structures in Northern Europe, a reintegration of written sources and archaeological material, genetic and isotopic studies entirely reinterpreting previously excavated grave material, are but a few examples of such land winnings. The aim of this book is to provide an intense and cohesive focus on the characteristics of contemporary Iron Age research; explored under the subheadings of field and methodology, settlement and spatiality, text and translation, and interaction and impact. Gathering the work of leading, established researchers and field archaeologists based throughout northern Europe and in the frontline of this new emerging image, this volume provides a collective summary of our current understandings of the Iron Age and Early Medieval Era in the North. It also facilitates a renewed interaction between academia and the ever-growing field of infrastructural archaeology, by integrating cutting edge fieldwork and developing field methods in the corpus of Iron Age and Early Medieval studies. In this book, many hypotheses are pushed forward from their expected outcomes, and analytical work is not afraid of taking risks, thus advancing the field of Iron Age research, and also, hopefully, inspiring to a continued creation of new knowledge.

" Thy seed will I establish for ever, and I will build up thy throne to all generations. Selah " –Psalm 89:4. This powerful statement was made thousands of years ago, yet it still holds the key to success for spiritual families in the earth today. God has a plan for your church, ministry network and organization that includes a healthy future! The throne of Jesus Christ and His spiritual family are established without interruption and our dominion is everlasting. In this captivating revelation, Dr. Gordon E. Bradshaw reveals how to successfully build the lasting lineage that will endure for generations to come! You will discover: The importance of a Godly lineage and spiritual heritage. The pitfalls of not having proper succession in place, Why generations fail and how to prevent it in your lineage, God ' s greatest " Gift " to coming generations, How to prevent " Spiritual Abortions " and premature spiritual death, The power of a " Good Name " and how it restores credibility to believers ...and much more!

Little is known about the early childhood of Jesus Christ. But in the decades after his death, stories began circulating about his origins. One collection of such tales was the so-called Infancy Gospel of Thomas, known in antiquity as the Paidika or " Childhood Deeds " of Jesus. In it, Jesus not only performs miracles while at play (such as turning clay birds into live sparrows) but also gets enmeshed in a series of interpersonal conflicts and curses to death children and teachers who rub him the wrong way. How would early readers have made sense of this young Jesus? In this highly innovative book, Stephen Davis draws on current theories about how human communities construe the past to answer this question. He explores how ancient readers would have used texts, images, places, and other key reference points from their own social world to understand the Christ child ' s curious actions. He then shows how the figure of a young Jesus was later picked up and exploited in the context of medieval Jewish-Christian and Christian-Muslim encounters. Challenging many scholarly assumptions, Davis adds a crucial dimension to the story of how Christian history was created.

Offers a collection of scripturally based short story views of six of the family members of Jesus Christ, including Mary, Joseph, Jesus' brother James, John the Baptist, Zechariah, and Elizabeth.

Featuring comprehensive updates and additions, the second edition of Understanding Theories of Religion explores the development of major theories of religion through the works of classic and contemporary figures. • A new edition of this introductory text exploring the core methods and theorists in religion, spanning the sixteenth-century through to the latest theoretical trends • Features an entirely new section covering religion and postmodernism; race, sex, and gender; and religion and postcolonialism • Examines the development of religious theories through the work of classic and contemporary figures from the history of anthropology, sociology, psychology, philosophy, and theology • Reveals how the study of religion evolved in response to great cultural conflicts and major historical events • Student-friendly features include chapter introductions and summaries, biographical vignettes, a timeline, a glossary, and many other learning aids

" All seekers of truth yearn for the mystical experience. In this remarkable journey, you do not walk alone. With you is your indispensable partner to success—the spiritual hierarchy. " The Angelic Keys to Fulfilling Your Life ' s Purpose In their newest book, award-winning authors Barbara Y. Martin and Dimitri Moraitis explore the sacred art of communing with celestial beings. Reading of Martin ' s extensive direct clairvoyant experiences, this book will teach you to work closely with angels, archangels, and other divine beings who guide you in day-to-day living and help you achieve your destiny.
