John Williams (4) - Home Alone (Original Motion Picture Soundtrack)

~~John Williams (4) Home Alone (Original Motion Picture ...~~

The soundtrack to director Chris Columbus' 1990 monster hit Home Alone features the composing work of the legendary John Williams and continues the Christmas theme of the film with numerous yuletide carols. Williams' main title theme, known as "Somewhere in My Memory," is a typically sweeping affair that incorporates the childlike qualities of the film while suggesting Tchaikovsky's "Dance of the Sugar Plum Fairy."

Home Alone: (John Williams) This highly popular and likely overrated children's story written by John Hughes and shot by Chris Columbus in 1990 tests every limit of plausibility. By the end of Home Alone, any adult who has raised a child will wonder if an 8-year-old with the wit and composure of Macaulay Culkin's character actually exists. In the film, he plays a boy mistakenly left at his upscale home in the Chicago suburbs while his frantic family packs and departs for Paris, and in the ...

John Heard, Actor: The Guardian. John Heard was a very talented actor who established himself as a respected thespian in the late 1970s and early '80s, though he is perhaps better known for his turn as Peter McCallister, Kevin McCallister's (Macaulay Culkin) father in the Home Alone (1990) movies. John was born in Washington, D.C., to Helen (Sperling), who acted in community ...

John Williams is one of the most renowned film composers in history. He has penned unforgettable scores for Star Wars, the Indiana Jones series, E.T. the Extra-Terrestrial, Jaws, Superman, and countless other films. Fans flock to his many concerts, and with forty-nine Academy Award nominations as of 2014, he is the second-most Oscar-nominated person after Walt Disney. Yet despite such critical acclaim and prestige, this is the first book in English on Williams's work and career. Combining accessible writing with thorough scholarship, and rigorous historical accounts with insightful readings, John Williams's Film Music explores why Williams is so important to the history of film music. Beginning with an overview of music from Hollywood's Golden Age (1933-58), Emilio Audissino traces the turning points of Williams's career and articulates how he revived the classical Hollywood musical style.

This book charts each landmark of this musical restoration, with special attention to the scores for Jaws and Star Wars, Williams's work as conductor of the Boston Pops Orchestra, and a full film/music analysis of Raiders of the Lost Ark. The result is a precise, enlightening definition of Williams's "neoclassicism" and a grounded demonstration of his lasting importance, for both his compositions and his historical role in restoring part of the Hollywood tradition. Best Special Interest Books, selected by the American Association of School Librarians Best Books for General Audiences, selected by the Public Library Reviewers

Film Music in the Sound Era: A Research and Information Guide offers a comprehensive bibliography of scholarship on music in sound film (1927-2017). Thematically organized sections cover historical studies, studies of musicians and filmmakers, genre studies, theory and aesthetics, and other key aspects of film music studies. Broad coverage of works from around the globe, paired with robust indexes and thorough cross-referencing, make this research guide an invaluable tool for all scholars and students investigating the intersection of music and film. This guide is published in two volumes: Volume 1: Histories, Theories, and Genres covers overviews, historical surveys, theory and criticism, studies of film genres, and case studies of individual films. Volume 2: People, Cultures, and Contexts covers individual people, social and cultural studies, studies of musical genre, pedagogy, and the industry. A complete index is included in each volume.

An in-depth look at every aspect of Cameron's creative genius, providing a revealing portrait of the director's life and work.

World-wide in scope and focusing on the second half of the 20th century, this work provides biographies and discographies of some 500 composers and conductors of light and popular orchestral music, including film, show, theatre and mood music. The book is arranged in two sequences: 1) Biographies and select discographies, both arranged alphabetically, of the well-known and better-known conductors and composers. These entries also include a list of suggested reading for those wishing to further their studies; and 2) Select discographies of conductors about whom little or no biographical information is available. The bibliography at the end of the book covers discographical sources, popular music and film music. This is the first time that the lives and recordings of such artists as Kostelanetz, Faith, and Gould as well as the orchestral recordings of such great popular composers as Gershwin, Kern, Porter, Rodgers, Berlin and Coward have been documented and presented in an encyclopedic form.
