The Awakening is a novel by Kate Chopin, first published in 1899. Set in New Orleans and on the Louisiana Gulf coast at the end of the 19th century, the plot centers on Edna Pontellier and her struggle between her increasingly unorthodox views on femininity and motherhood with the prevailing social attitudes of the turn-of-the-century American South. It is one of the earliest American novels that focuses on women's issues without condescension. It is also widely seen as a landmark work of early

Kate Chopin shows the reader what is happening without ever judging the characters or patronising the reader. The reader can judge Edna but such judgements would be foolish without taking time to try to understand her. This tale is still very relevant today although it not as shocking as it probably was in 1899.

The Awakening was my first book for the Feminist February reading challenge. I chose The Awakening because it was first published in 1899, and apparently caused a scandal with its descriptions of female infidelity. (It's also free on Kindle!) Why is it that, although written in the 1800's, that The Awakening is still relevant today?
