Action, intrigue, and romance to swoon for! With graduation just weeks away, guardian trainee Violet Fairdale is determined to claim the top spot in her class. But first, she'll have to survive her final assignment—and the guy she's been forced to partner with. Her confusing feelings for Ryn aren't the only thing making life difficult, though. With enchanted storms wreaking havoc in the fae realm, a murder within the Guild, and an Unseelie prince still determined to possess Vi's special magic, graduation is about to become the least of her problems.
