Love, the most intriguing, mystical and vibrant emotion ever experienced by humans. Nevertheless, it is also the most complex and yet to be understood emotion. Ask anyone what love is? And the most common answer you would get is, 'it is a feeling which cannot be completely defined'. Strange but true. An emotion which in the history of mankind has changed destinies and shaped millions of lives is still not fully comprehended. But, if you ask this question to 'Rishi Sinha' the only answer you will get is 'Ananya Tripathi'. Life has completely changed since the day he confessed his love for her. Romantic dates, late night phone calls and never ending SMS's. A 'happy go lucky couple', madly and completely in love. Everything was going on smooth until one day, when Rishi is put into a National Level competition with 'Pragya'... his screwed up past and the biggest mistake of his life. He has no choice but to represent his college with Pragya and of course win the title too. Rishi tells Ananya about the competition, who, like a mature girl understands his condition and has no objection in his working with her. But, fate has something else in store for him. Now Rishi is in a dilemma. On one side is 'Ananya', the love of his life and on the other side is 'Pragya', a dying and needy friend. On one side is his most ruined past, while on the other his present, his future. He has to choose between the two. Whom will he choose? 'One Life, One Love' is a tale of 'Love' and 'Friendship' along with some social issues like 'Prostitution', 'Mafia', 'Live in' and 'Gambling' which we talk and read about daily but never realise how intense they are. Will Rishi be able to take the right decision and save his relationship? What has Rishi's fate in store for him? All your answers lie here, in this emotional yet witty tale by Rochak Bhatnagar... Take a plunge... Publisher : General Press

An in-depth photographic study of the ascetic holy men of India • Includes more than 100 striking color photographs of Sadhus, their extreme austerities, and their holy festivals, including the Kumbha Mela • Examines the practices and beliefs of Sadhus from several different sects • Traces the historical and mythological roots of the Sadhus and shows how they have fundamentally shaped Hinduism since remote antiquity Spiritual adventurers, philosophical monks, naked ascetics, or religious transvestites, the Sadhus of India form a vital and unbroken link between the birth of yoga millennia ago and its present-day expression. Numbering in the millions, these mystic holy men are worshipped by the Hindus as representatives of the gods, yet they remain largely unknown in the West because they often live in far-off places, hidden from everyday life. In this full-color study of Sadhus more than 20 years in the making, photographer Dolf Hartsuiker illustrates the Sadhus' world of ancient magical rituals, religious symbols, and ascetic practices. In his photographic quest across India, the author visited many holy places, attended religious festivals including the Kumbha Mela, and encountered and photographed thousands of Sadhus, befriendng several as he was drawn into their inner circle. Sharing more than 100 striking color photographs from his travels, he reveals the Sadhus' utmost devotion to their spiritual path through meditation practices, yoga exercises, penance, and austerities--sometimes taken to the extreme of prolonged self-imposed silence, bodily mortification, such as holding an arm above the head for years, or even ritual suicide--as well as their profound involvement with the mundane world as healers and teachers or magicians and sorcerers. It is a path of knowledge and devotion, renunciation and realization, sexual energy and spiritual power, divine intoxication and mystical union. The author examines the different beliefs and behaviors of each Sadhu sect, including the "sky-clad" Naga Babas, and traces their historical and mythological roots to show how they have fundamentally shaped Hinduism since antiquity. Revealing the powerful "otherworldliness" of the Sadhus, the author also exposes the mystical beauty that emanates from those who have chosen the path of asceticism in pursuit of knowledge of the Absolute and liberation from all earthly bonds.

What happens when the political drama that unfolds in the country's corridors of power spills over to a complicated personal bond between three young people? Aditya, like the Congress party he belongs to, tends to be elitist and aristocratic; Brajesh Ranjan, like his party the BJP, swears by an overtly nationalist agenda; and Chaitali Sen, like the CPI(M) she represents, swears by the underpowered. In this page-turning book set in the thick of political party manoeuvring and against the backdrop of India's nuclear deal, the author writes a riveting story about love and relationships that are made and broken by the ideologies of the political parties that each of these three protagonists represent. It takes a horrific incident like 26/11 to make each of them realize the shortcomings of the parties they swear by and to look at the larger picture.

When twentsomething reporter Miranda Kennedy leaves her job in New York City and travels to India with no employment prospects, she longs to immerse herself in the turmoil and excitement of a rapidly developing country. What she quickly learns in Delhi about renting an apartment as a single woman—it's next to impossible—and the proper way for women in India to ride scooters—perched sideways—are early signs that life here is less Westernized than she'd counted on. Living in Delhi for more than five years, and finding a city pulsing with possibility and hope, Kennedy experiences friendships, love affairs, and losses that open a window onto the opaque world of Indian politics and culture—and alter her own attitudes about everything from food and clothes to marriage and family. Along the way, Kennedy is drawn into the lives of several Indian women, including her charismatic friend Geeta—a self-described “modern girl” who attempts to squeeze herself into the traditional role of wife and mother; Radha, a proud Brahmin widow who denies herself simple pleasures in order to live by high-caste Hindu principles; and Parvati, who defiantly chain-smokes and drinks whiskey, yet feels compelled to keep her boyfriend a secret from her family. In her effort to understand the hopes and dreams that motivate her new friends, Kennedy peels back India's globalized image as a land of call centers and fast-food chains and finds an ancient place where, in many ways, women's lives have scarcely changed for centuries. Incisive, witty, and written with a keen eye for the lush vibrancy of the country that Kennedy comes to love, Sideways on a Scooter is both a remarkable memoir and a cultural revelation.

When Ravin first said 'I love you . . .' he meant it forever. The world has known this through Ravin's bestselling novel; I Too Had a Love Story. But did Ravin's story really end on the last page of that book? On Valentine's Day, a radio station in Chandigarh hosts a very special romantic chat show. Ravin and his three best friends are invited as guests to talk about Ravin's love story. But surprisingly everyone apart from Ravin turns up. As the show goes live; there is only one question in every listener's mind: what has happened to Ravin? To answer this question the three friends begin reading from a handwritten copy of Ravin's incomplete second book—the entire city listens breathlessly; unable to believe the revelations that follow.

I've imagined this in my head so many times. I've always thought about what I would say; what I would do, and how it would all turn out to be. And every time I would remove some detail . . . She's a flight attendant—young, bright and living her dream. He's a heartbroken singer on his way to becoming big. She's an ardent fan of his. He can't imagine why and yet seems to find comfort in her words. It's the first time they are together and in their hearts both are wishing, hoping and praying that the night would never end. That the time they are spending together lasts and lasts... In the world of love, there is always someone perfectly right for you.

Twenty-one year old Larissa Chakroborty (better known as Jasmine) has been forced into the company of her parents' friends' son, twenty-five year old Tanveer Bhattacharya (aka Veer) ever since she was thirteen and he was seventeen. Jasmine found herself slowly getting drawn towards this teenage boy and harbours an unrequited crush on him, long after he disappears from her life in order to pursue a college degree. Eight years later Veer returns. Jasmine finds herself going to his welcome home party, and neither of them recognises each other on the first meeting. Upon discovering that Jasmine is now a Master's student in a reputed college, Veer makes her a rather strange proposal. He wants her to pretend that they're in love and would eventually settle down in life, for he wishes to avoid tying the knot with a girl of his parents' choice. The constant ego battle between the two, the love-hate relationship, break ups and realisations is what The Secret Proposal is all about, wherein love would eventually find a way. Coupled with birthday parties, engagement announcements, Durga Pujos, weddings, the harrowing rituals, Christmas time fun, the crazy duo have a long way to go before they realise what their act would eventually cost them. Is it enough to get your long time love to be in a 'pretense relationship' with you? Does one grand gesture convince you that you've found your knight in shining armour? And why is it that when you have someone, you don't want them... and when you lose them, you want them back? Is Veer merely pretending to be in love with Jasmine? And will Jasmine ever get over her undying love for Veer? Publisher : General Press
