When I left the

Abandoned at two weeks old, Paul came of age in the infamous St Leonards's Children's Home in East London. The children there were routinely abused, often over the course of many years. All

Where To Download Life The Very Best Book Delisted Ever Picture

This Book was typed
by me but written by
The Holy Spirit. There
are really only three
chapters contained –
The History – My
Story and The
Questionnaire. The
best way to gain a full
understanding of the
content is to just read

Where To Download Life

Chapter 1. It may feel like too much preaching for your taste, but it is only a set of instructions given to me by The Holy Spirit as how to gain the most from the text. Many people may consider just bouncing to the Questionnaire itself and answer the questions found there,

Where To Download Life

but that is not how
The Holy Spirit
delivered the
instructions to me, so
I pass them on to you.

The second chapter
covers the History of
the time when the
Church needed some
help, and about a
man that entered the
Church and asked a
few questions to bring
the Church back on

Where To Download Life

track. Little did he know that his questions would set about changing the world of understanding The Lord and His wishes from that moment on. We still follow most of the doctrines he encouraged here in this country today. The third Chapter is My Story. Of how

Where To Download Life

Jesus showed
Himself to me and
answered all of my
questions, and
believe me I had
many. This text, this
Questionnaire has
changed my life
forever and helped
me transition from
only having Faith in
God to Trusting God
as well and all that
that entails. The

Where To Download Life

fourth Chapter is the
Questionnaire itself. It
maybe to some very
difficult to finish but
your answers will
have to be nothing but
what you believe in
your heart to be true
the day you take it. It
will be a record of
your beliefs in front of
Jesus Himself and
any falsehood will
immediately be known

Where To Download Life

to Him. I believe that
as you pass through
this book you will see
how Trusting The
Lord is much more
important than just
having Faith. Faith
brings you to The
Lord and without it I
believe you will never
feel The Holy Spirit in
your heart and soul.
But Trust gives you a
way to answer the

Where To Download Life

questions you still have. And if you have the courage and conviction to make that step you will have a new understanding of how The Lord God Almighty's plan for you works in your life and what you are expected to do to accomplish that plan. It is a big step, but the

Questionnaire I

Where To Download Life

believe will help you find answers to many questions you have of your own as it did for me, and all I have been asked to do is to share the enclosed with as many people as I can.
