specifications, mechanical and body changes, paint and trim schemes and original options for all Triumph Stags ever built from 1970 through 1977. These four-seat convertibles were blessed with great looks and a new V-8. Introduced as it was, however, during British Leland's darkest hour, the Stag was never fully developed and, as such, presented owners with a host of problems. In the years since, however, a mini industry has sprung up to support those owners and, in the process, eliminate the quirks traditionally associated with the Stag.
