providing a summary of the literature, this research anthology helps graduate students and new researchers grasp the current state of affairs in the field.

Secondly, this research anthology will help update the knowledge base of the existing researchers in the field. By bringing together various studies, the

ability to think like a sociologist, investigate and understand complex social phenomena. This text presents a complete sociological toolkit, guiding students in the art of asking good sociological questions, devising a sophisticated theory and developing methodologies to observe social phenomena. The
