Medical School Multiple Mini Interview (MMI) Process | UC ...

The Multiple Mini Interview (MMI), developed by McMaster University, is an interview format that consists of a series of six-10 interview stations, each focused on a different question or scenario. The MMI is designed to measure competencies like oral communication, social and non-verbal skills, and teamwork that are important indicators of how an applicant will interact with patients and colleagues as a physician.

What it 's Like to Participate in Multiple Mini Interviews ...

The Multiple Mini Interview, commonly abbreviated to "MMI", is one of the most dreaded interview formats. Applicants fear the MMI so much that some students literally freeze during their interview! This is because the actual questions are less predictable compared to traditional or panel-type interviews. Each mini interview has a different question type, and applicants find it hard to prepare for them.
