PaperCut MF's OCR works right out of the box for all kinds of workplaces, rounding out the ultimate trio of scan actions: Choose your scan destination (email, network folder, or cloud storage provider). Set your scan specifications. Text-search your scanned document as a PDF, or edit it as a Word document.

Optical Character Recognition (OCR) | PaperCut

OCR paper can thus, be used for making a document easily searchable. Sometimes, the OCR paper used in such systems is specially manufactured to have higher quality than normal paper. This ensures high efficiency and minimizes errors. Such special papers are brighter than normal ones for better contrast with printed words and resistance to curl.

OCR forms are paper forms that replaced the old "legacy" paper forms found at DWC district offices. OCR forms can be downloaded from this Web site, filled out on your computer and mailed or hand-delivered to DWC. Beginners should read the OCR handbook and study the examples below before filing OCR forms for the first time. For OCR form filers
