The sound bar is also slim enough to slot under the TV on the unit and not obstruct the sensor for the remote on the tv ... If you have a flat screen TV the sound will be useless you will need a sound Bar. This one by Polaroid TB301 is quite good. On a flat screen TV there isn't enough room to fit large diameter good quality speakers. Read full review... Verified purchase: Yes | Condition ...

Reviews: Polaroid TB301 30W Wireless Bluetooth Sound Bar—
How to set up your sound bar If possible, place your sound bar directly in front of your TV and watch head-on for the best results. Place both on a flat surface, such as your TV stand if there's space. To save space you can fix the sound bar to the wall, but you will need a separate bracket for this.
