Religion & Ethics for a New Age: Evolutionist Approach ...

Ethics involves systematizing, defending, and recommending concepts of right and wrong behavior. A central aspect of ethics is "the good life", the life worth living or life that is simply satisfying, which is held by many philosophers to be more important than traditional moral conduct.. Most religions have an ethical component, often derived from purported supernatural revelation or guidance.

Religion & Ethics for a New Age | Emmanuel K. Twesigye ...

Larry L. Rasmussen offers a dramatic new way of thinking about human society, ethics, and the health of our planet. Rejecting the modern ethical assumption that morality applies to human society alone, Earth-honoring Faith argues that we must derive a system of ethics and morality that accounts for the wellbeing of all creation on Earth, as well as the primal elements upon which it depends ...
