Celtic tribes fought amongst each other and sometimes they allied themselves with the Romans, the Greeks and other peoples against other Celtic tribes. Tribal warfare appears to have been a regular feature of Celtic societies.While epic literature depicts this as more of a sport focused on raids and hunting rather than organised territorial conquest, the historical record is more of tribes ...

The Celtic warbands were sometimes also accompanied by Druids and ' banshee ' women who made their presence known by shouting and screeching curses directed at their foes. Apart from psychologically afflicting the enemy, the ' auditory accompaniment ' significantly drummed up the courage and furor of the Celtic warriors.

Ancient Celtic Warriors: 10 Things You Should Know
Celtic civilization was formed earlier than 800BC, making the Celt one of the most ancient or oldest warrior on Deadliest Warrior to date. The celt were ancestors of the Scottish and Irish clans. Like North America's Native americans , the celts were not united under a single empire but instead they lived in hundreds of tribes across most of Europe and the British Isles.
