"European politics involves national politics and the multi-level politics of the EU. This impressive and thorough work edited by Magone (Berlin School of Economics and Law) covers both in a balanced way. Magone rightly notes that European politics is increasingly complex and that this handbook makes no claims to be definitive.

The Routledge Handbook of the Politics of Brexit ...

Disentangling a controversial history of turmoil and progress, this Handbook provides essential guidance through the complex past of a region that was previously known as the Balkans but is now better known as Southeastern Europe. It gathers 47 international scholars and researchers from the region.

Since the Treaty of the European Union was ratified in 1993, the European Union has become an important factor in an ever-increasing number of regimes of pooled sovereignty. This Handbook seeks to present a valuable guide to this new and unique system in the twenty-first century, allowing readers to obtain a better understanding of the emerging multilevel European governance system that links national polities to Europe and the global community. Adopting a pan-European approach, this Handbook brings together the work of leading international academics to cover a wide range of topics such as: the historical and theoretical background the political systems and institutions of both the EU and its individual member nations political parties and party systems political elites civil society and social movements in European politics the political economy of Europe public administration and policy-making external policies of the EU. This is an invaluable and comprehensive resource for students, scholars, researchers and practitioners of the European Union, European politics and comparative politics.

This Handbook maps the expanding field of gender and EU politics, giving an overview of the fundamentals and new directions of the sub- discipline, and serving as a reference book for (gender) scholars and students at different levels interested in the EU. In investigating the gendered nature of European integration and gender relations in the EU as a political system, it summarizes and assesses the research on gender and the EU to this point in time, identifies existing research gaps in gender and EU studies and addresses directions for future research. Distinguished contributors from the US, the UK and continental Europe, and from across disciplines from political science, sociology, economics and law, expertly inform about gender approaches and summarize the state of the art in gender and EU studies. The Routledge Handbook of Gender and EU Politics provides an essential and authoritative source of information for students, scholars and researchers in EU studies/ politics, gender studies/ politics, political theory, comparative politics, international relations, political and gender sociology, political economy, European and legal studies/ law.

The Routledge Handbook of the Politics of Migration in Europe provides a rigorous and critical examination of what is exceptional about the European politics of migration and the study of it. Crucially, this book goes beyond the study of the politics of migration in the handful of Western European countries to showcase a European approach to the study of migration politics, inclusive of tendencies in all geographical parts of Europe (including Eastern Europe, the Western Balkans, Turkey) and of influences of the European Union (EU) on countries in Europe and beyond. Each expert chapter reviews the state of the art field of studies on a given topic or question in Europe as a continent while highlighting any dimensions in scholarly debates that are uniquely European. Thematically organised, it permits analytically fruitful comparisons across various geographical entities within Europe and broadens the focus on European immigration politics and policies beyond the traditional limitations of Western European, immigrant-receiving societies. The Routledge Handbook of the Politics of Migration in Europe will be essential reading and an authoritative reference for scholars, students, researchers and practitioners involved in, and actively concerned about, research on migration, and European and EU Politics.

The Routledge Handbook of East European Politics is an authoritative overview that will help a wide readership develop an understanding of the region in all its political, economic, and social complexity. Including Central Europe, the Baltic republics, South Eastern Europe, and the Western Balkans, as well as all the countries of the former Soviet Union, it is unrivalled in breadth and depth, affording a comprehensive overview of Eastern European politics provided by leading experts in the fields of comparative politics, international relations, and public administration. Through a series of cutting-edge articles, it seeks to explain and understand patterns of Eastern European politics today. The Routledge Handbook of East European Politics will be a key reference point both for advanced-level students developing knowledge about the subject, researchers producing new material in the area, and those interested and working in the fields of East European Politics, Russian Politics, EU Politics, and more broadly in European Politics, Comparative Politics, Democratization Studies, and International Relations.

The Routledge Handbook of European Public Policy provides an in-depth and systematic understanding of EU policies. It covers theoretical approaches on the policy process and the various stages of public policy-formulation and decision making; and discusses key questions of contemporary European governance. The handbook introduces major concepts, trends, and methodologies in a variety of comparative settings thereby providing the first systematic effort to include theoretical and substantive analyses of European public policies in a single volume. The handbook is divided into four sections: Concepts and approaches in EU policymaking; Substantive policies of the EU, including economic and social, fiscal and monetary, areas of freedom, security and justice, and external policies; Elements of the policy cycle; Themes ranging from crisis and resistance to controversies in education. This handbook will be an essential reference for students and scholars of the European Union, public policy, social policy and more broadly for European and comparative politics.

While the EU has championed "effective multilateralism" and experienced a dramatic internal reform process to improve its performance in external relations, broader multilateral processes have also undergone dramatic change. This handbook addresses the increasingly contested issue of profound political importance: Europe's presence in multilateral institutions. It assesses both the evolving role of Europe in international institutions, and the transformations in international institutions themselves. Acknowledging that the category of international institutions comprises a highly diverse field of multilateral engagements this handbook presents a state of the art approach that analyzes both what we have learned about the EU and international institutions as well as identifying promising avenues for further research. The handbook is divided into six parts: Part I examines the EU's diplomatic and legal personality in international relations that constitutes the internal foundation for the EU's engagement with international institutions. Part II assesses how EU multilateralism intersects with other international institutions and provides a means to assess the performance of international institutions as well as the EU itself in multilateral processes. Part III focuses on the EU's participation with key institutions within the general UN system, such as the UN Security Council and the Human Rights Council as well as specific policy domains such as human rights across UN institutions. Part IV focuses on EU relations with wide range of international organizations in a variety of fields, from organizations in economic and security realms to environmental institutions and specialized agencies. Part V focuses on the EU's engagement in a broad spectrum of issue-specific international agreements and international regimes, addressing issues such as non-proliferation of WMDs, climate change, information technology, and the emerging Gx-system (G7, G8, G20 etc). Part VI examines broader contextual factors that influence the relationship between the EU and international institutions, including the evolution of multilateralism, the trans-Atlantic relationship, global norms and the emergence of multipolarity. This comprehensive volume brings together scholars and practitioners to summarize and synthesize existing knowledge in the field. It will be of great interest to students and scholars of European politics, the EU's external relations, international relations, international organizations and international political economy.

The Routledge Handbook of European Elections explores the multifaceted dimension of the European Parliament ' s (EP) electoral contests across the European Community and European Union since 1979. After setting a general empirical and theoretical framework, this collaborative project presents original contributions from leading experts from virtually all the corners of the European Union. Each case study adheres to a common template that makes it easy to compare data, methodology and outcomes. Every country chapter includes: a brief geopolitical profile and historical background of the Member State; a glance at the national political landscape; a short account of the main political parties, including their attitude toward the European Union; a section on public opinion and European integration; a summary of electoral systems; an overview of all EP and national elections; an in-depth analysis of the 2009 EP electoral race; an overall theoretical interpretation of European elections. A comparative chapter closes the Handbook followed by an Epilogue focussing on the 2014 EP contest with a detailed analysis of the newly elected European Assembly in terms of political group and gender composition. The volume aims to enhance readers ' understanding of the European Parliament and revive their interest in the European integration process. By providing a wide range of national and European facts and figures, this investigation represents a comprehensive reference guide to scholars, practitioners, and students of the European Parliament, European elections, political parties, European Union and comparative politics.

The Routledge Handbook of EU-Russia Relations offers a comprehensive overview of the changing dynamics in relations between the EU and Russia provided by leading experts in the field. Coherently organised into seven parts, the book provides a structure through which EU-Russia relations can be studied in a comprehensive yet manageable fashion. It provides readers with the tools to deliver critical analysis of this sometimes volatile and polarising relationship, so new events and facts can be conceptualised in an objective and critical manner. Informed by high-quality academic research and key bilateral data/statistics, it further brings scope, balance and depth, with chapters contributed by a range of experts from the EU, Russia and beyond. Chapters deal with a wide range of policy areas and issues that are highly topical and fundamental to understanding the continuing development of EU-Russia relations, such as political and security relations, economic relations, social relations and regional and global governance. The Routledge Handbook of EU-Russia Relations aims to promote dialogue between the different research agendas in EU-Russia relations, as well as between Russian and Western scholars and, hopefully, also between civil societies. As such, it will be an essential reference for scholars, students, researchers, policymakers and journalists interested and working in the fields of Russian politics/studies, EU studies/politics, European politics/studies, post-Communist/post-Soviet politics and international relations. The Routledge Handbook of EU-Russia Relations is part of a mini-series Europe in the World Handbooks examining EU-regional relations established by Professor Wei Shen.

The Routledge Handbook on the European Neighbourhood Policy provides a comprehensive overview of the EU ' s most important foreign policy instrument, provided by leading experts in the field. Coherently structured and adopting a multidisciplinary approach, this handbook covers the most important themes, developments and dynamics in the EU ' s neighbourhood policy framework through a series of cutting-edge contributions. With chapters from a substantial number of scholars who have been influential in shaping the study of the ENP, this handbook serves to encourage debates which will hopefully produce more conceptual as well as neighbourhood-specific perspectives leading to enriching future studies on the EU ' s policies towards its neighbourhood. It will be a key reference point both for advanced-level students, scholars and professionals developing knowledge in the fields of EU/European Studies, European Foreign Policy Analysis, Area studies, EU law, and more broadly in political economy, political science, comparative politics, and international relations.

This handbook provides a comprehensive overview of the changing dynamics in the relationship between the African continent and the EU, provided by leading experts in the field. Structured into five parts, the handbook provides an incisive look at the past, present and potential futures of EU-Africa relations. The cutting-edge chapters cover themes like multilateralism, development assistance, institutions, gender equality and science and technology, among others. Thoroughly researched, this book provides original reflections from a diversity of conceptual and theoretical perspectives, from experts in Africa, Europe and beyond. The handbook thus offers rich and comprehensive analyses of contemporary global politics as manifested in Africa and Europe. The Routledge Handbook of EU-Africa Relations will be an essential reference for scholars, students, researchers, policy makers and practitioners interested and working in a range of fields within the (sub)disciplines of African and EU studies, European politics and international studies. The Routledge Handbook of EU-Africa Relations is part of the mini-series Europe in the World Handbooks examining EU-regional relations and established by Professor Wei Shen.
