Did the Resurrection actually take place? This is the central question that Price (editor, Journal of Higher Criticism) and Lowder (cofounder, Internet Infidels) pose in their essay collection. Written in response to recent works by Wolfhart Pannenberg, William Lane Craig, Murray J. Harris, and others who offered a defense of the Resurrection on historical and logical grounds, the essays probe the

following: What is the most reasonable way to understand the appearance stories? Why would a God resurrect Jesus? Is the Resurrection theologically necessary? Is there enough historical evidence to make the Resurrection plausible or convincing? Did the 'Empty Tomb' really take place? To such questions, the answer is in the negative or is rendered in a nontheistic manner. Interestingly, contributors include not only philosophers, historians, and major nontheists but also New Testament scholars who view the Resurrection as a later church development. Well argued and well written, the essays are certain to stimulate further insight and reflection for both theists and nontheists.... Recommended for academic libraries.--John Jaeger, Dallas Baptist University, Texas, in Library Journal

It is not new for a few lonely, persecuted radicals to deny the resurrection of Jesus. What is new in this book is that such a number of competent, scrupulous scholars are agreeing that it did not happen, and going so far as attacking fundamentalists for propagating false and misleading views of the Bible.--Dr. Barbara Thiering, author of the bestseller Jesus and the Riddle of the Dead Sea Scrolls

One can only hope this valuable collection will result in a renewed commitment to intelligent discourse concerning Christianity's greatest miracle.--Gerd Lüdemann, University of Göttingen, author of The Resurrection of Christ: A Historical Inquiry

Did Jesus rise from the

dead? Although 19th- and early 20th-century biblical scholarship dismissed the resurrection narratives as late, legendary accounts, Christian apologists in the late 20th century revived historical apologetics for the resurrection of Jesus with increasingly sophisticated arguments. A few critics have directly addressed some of the new arguments, but their response has been largely muted. The Empty Tomb scrutinizes the claims of leading Christian apologists and critiques their view of the resurrection as the best historical explanation. The contributors include New Testament scholars, philosophers, historians, and leading nontheists. They focus on the key questions relevant to assessing the historicity of the resurrection: What did the authors of the New Testament mean when they said Jesus rose from the dead? What historical evidence is needed to establish the resurrection? If there is a God, why would He resurrect Jesus? Was there an empty tomb? What should we make of the appearance stories? Apart from historical evidence, is belief in the resurrection justified? The Empty Tomb provides a sober, objective response to arguments offered in defense of Christianity's central claim. Robert M. Price, Ph.D. (Selma, NC), professor of scriptural studies at the Johnnie Colemon Theological Seminary, is the editor (with Jeffery Jay Lowder) of *The Empty Tomb: Jesus Beyond the Grave* and the *Journal of Higher Criticism*. He is also the author of *Top Secret: The Truth*

Behind Today's Pop Mysticisms; The Paperback Apocalypse: How the Christian Church Was Left Behind; The Reason-Driven Life: What Am I Here on Earth For?; The Incredible Shrinking Son of Man; and Deconstructing Jesus; among other works. Jeffery Jay Lowder is the cofounder and past president of Internet Infidels, Inc., an international coalition of nontheists dedicated to promoting and defending a naturalistic worldview on the Internet.

If the tomb is empty, then anything is possible. Whether you're a new believer, a seasoned servant of the faith, or maybe you don't know what you are, join pastor Joby Martin as he traverses the peaks and valleys of six Biblical mountains--Mount Moriah, Mount Sinai, Mount Carmel, the Mount of Beatitudes, the high mountain on which Jesus was tempted, and the Mount of Transfiguration. In scripture, these mountains are used by God for His purposes because they are where God chooses to manifest Himself. And none more so than on the seventh and final mountain where this story begins and ends: the Cross of Jesus Christ on Mount Calvary, and the empty tomb that means so much for us. That Jesus walked out of the tomb alive, and that right this second the Son of God lives, matters for everyone who would believe it. So if the tomb is empty, what does it mean for you? The answer is clear: everything.

The Christmas story evokes many touching images. Halos, fresh hay, shepherds carrying newborn lambs and young motherhood in blue homespun. It's enough to bring tears to the eyes of Christmastime churchgoers. But the Christmas story is more than sentimental - it is powerful. It deals with real people, it involves pain and it is one the most strikingly unusual stories in all of history. Above all, its main emphasis is not on the infancy of Jesus but on the deity of Jesus - and why that deity took the form of an infant. It's a story that still has deep meaning today

This is a careful, critical attempt, by a highly qualified British judge, to examine the evidence concerning the resurrection from the dead of Jesus of Nazareth. After a review of the basic legal principles involved regarding the use of evidence (What standard of proof is acceptable? Are we dealing with history or myth? What are our preconceptions?), this succinct but powerful document considers the testimony of individuals involved (Paul, James, Peter); the various resurrection accounts, their inconsistencies, and their value as evidence; possible sites for Jesus' tomb; sources from outside the gospels, such as Josephus, Tacitus and Pliny; logical alternatives to the resurrection; and the opinions of experts in the fields of

history, literary history, palaeography and law. Could this most improbable story be, at heart, true? What are the implications?

Sixth-grade twins Bryant and Bryce, and their precocious cousin Kate, face off with seventh-grader Rich, not knowing that Rich's evolutionist attorney dad is in a conspiracy, with a famous TV host of a major TV network, to ridicule the Christian faith on a nationally televised debate. While Kate, Miss Young Philosopher, delves into her dad's library, Bryant, Mr. Young Historian and Bryce, Mr. Young Archaeologist consult authoritative experts. The extensive research led them to more questions: How did the universe begin? Did it begin at all? Or, did it always exist? Can a man walk on water today? What about 2,000 years ago?

Last summer a debate raged in the Christian press over penal substitution and the reason for the cross (sparked by Steve Chalke's book, *The Lost Message of Jesus*). Yet 20 years ago Micheal Green looked closely at this same debate and clearly revealed the full meaning of Christ's death on the cross, how a loving God could deliberately allow his innocent son to suffer, and why it would be futile if it were not followed by his resurrection.

White settlers saw land for the taking. They failed to consider the perspective of the people already here. In *The Land Is Not Empty*, author Sarah Augustine unpacks the harm of the Doctrine of Discovery--a set of laws rooted in the fifteenth century that gave Christian governments the moral and legal right to seize lands they "discovered" despite those lands already being populated by indigenous peoples. Legitimized by the church and justified by a misreading of Scripture, the Doctrine of Discovery says a land can be considered "empty" and therefore free for the taking if inhabited by "heathens, pagans, and infidels." In this prophetic book, Augustine, a Pueblo woman, reframes the colonization of North America as she investigates ways that the Doctrine of Discovery continues to devastate indigenous cultures, and even the planet itself, as it justifies exploitation of both natural resources and people. This is a powerful call to reckon with the root causes of a legacy that continues to have devastating effects on indigenous peoples around the globe and a call to recognize how all of our lives and our choices are interwoven. ? What was done in the name of Christ must be undone in the name of Christ, the author claims. The good news of Jesus means there is still hope for the righting of wrongs. Right relationship with God, others, and the earth
