The European Communities Act, passed by Parliament in 1972, accepted the supremacy of EU law. That principle has also been endorsed by the UK courts. Although a more recent law included some restrictions on the application of the supremacy principle in the UK, the principle itself was not challenged.

How the EU works: EU law and the UK - Full Fact

European Union law is a system of rules operating within the member states of the European Union. Since the founding of the Coal and Steel Community after World War II, the EU has developed the aim to "promote peace, its values and the well-being of its peoples".

European Union law - Wikipedia

European law, laws and legal traditions that are either shared by or characteristic of the countries of Europe. Broadly speaking, European law can refer to the historical, institutional, and intellectual elements that European legal systems tend to have in common; in this sense it is more or less equivalent to Western law. More commonly and more specifically, however, European law refers to the ...
