This book aims to be a

Page 43/75

Acces PDF The Science Of Geriatrics Facts Research

single point of reference for advances in the care of geriatric populations across medical and surgical specialties. The aging population is a unique demographic with its own health challenges.

Acces PDF The Science Of Geriatrics Facts Research

Geriatricians are specifically trained to address these challenges but few medical students or residents enter geriatrics, even as the demand for geriatric expertise increases. The practices of

Acces PDF The Science Of Geriatrics Facts Research

many medical and surgical specialists are dominated by older patients who may themselves see many specialists but rarely visit geriatricians. This updated edition elucidates the most common medical conditions

Acces PDF The Science Of Geriatrics Facts Research

And Intervention In
seen in aging patients and translates approaches to those conditions for physicians across specialties. Divided into three sections that assemble crosscutting issues, medical specialties, and surgical

Acces PDF The Science Of Geriatrics Facts Research

And related specialties, this book serves as a guide for clinicians of all backgrounds who will work with older patients as the demographic ages further. This second edition of Geriatrics for Specialists

Acces PDF The Science Of Geriatrics Facts Research

And Intervention In Geriatrics
expands the number of specialist chapters to reflect growth in research in aging and clinical care for older people in dermatology, plastic surgery, and behavioral neurology. All original

Acces PDF The Science Of Geriatrics Facts Research

And Intervention In Geriatrics
Chapters from the first edition are extensively revised and updated to reflect the rapid growth of new knowledge in the field.

This convenient and easy-to-use pocket-sized reference

Acces PDF The Science Of Geriatrics Facts Research

And Intervention by provides gerontology nurses with the foundational knowledge they need to provide all aspects of safe, effective care to older patients. It contains crucial evidence-based information that enables

Acces PDF The Science Of Geriatrics Facts Research

nurses to differentiate between normal and abnormal findings, understand the presentation and management of common diseases of the gerontological population, and integrate age-specific considerations into care

Acces PDF The Science Of Geriatrics Facts Research

planning and implementation with older adults. Pervading the resource is a holistic approach in which all facets of the individual: physical and mental health, emotional and spiritual wellbeing, self-care, family

Access PDF The Science Of Geriatrics Facts Research

relationships, and unique risks for this population, are considered. Designed for daily use, the guide is consistently organized in bullet-point Fast Facts style for easy access to information. Also included

Acces PDF The Science Of Geriatrics Facts Research

Elderhood is an essential, empathetic look at a vital but often disparaged stage of life. For more than 5,000 years, "old" has been defined as beginning between the ages of 60 and 70. That means most people alive

Acces PDF The Science Of Geriatrics Facts Research

And Intervention In Geriatrics
today will spend more years in elderhood than in childhood, and many will be elders for 40 years or more. Yet at the very moment that humans are living longer than ever before, we've made old age into a disease, a

Acces PDF The Science Of Geriatrics Facts Research

condition to be dreaded, denigrated, neglected, and denied. Reminiscent of Oliver Sacks, noted Harvard-trained geriatrician Louise Aronson uses stories from her quarter century of caring for patients, and

Acces PDF The Science Of Geriatrics Facts Research

And Intervention In science, literature, popular culture, and her own life to weave a vision of old age that's neither nightmare nor utopian fantasy--a vision full of joy, wonder, frustration, outrage, and

Acces PDF The Science Of Geriatrics Facts Research

And Intervention In Geriatrics
hope about aging, medicine, and humanity itself.

Elderhood is for anyone who is, in the author's own words, "an aging, i.e., still-breathing human being."

Acces PDF The Science Of Geriatrics Facts Research

Geriatric Notes is an essential quick reference for the advanced practice provider (APP) who provides care to elders in the outpatient setting, such as nursing homes, family practice, or home health.

Access PDF The Science Of Geriatrics Facts Research

With a practical, accessible, and concise approach, it offers an easy to understand overview of the most common diagnoses, topics, and symptoms encountered in the aging population. Designed to

Acces PDF The Science Of Geriatrics Facts Research

offer access to the basics, this guide provides tables and bullet points for easy reference. Sections include health promotion, neurology and psychiatry, cardiovascular, pulmonary, gastroenterology,
