TRENS, a.s. has started production of the lathes in the 50s of the 20th century. Our experience have reflected in todays excellent utility and merits of our machine tools, like high machining accuracy, long life cycle, simple attendance or low operating costs. The fact that since the production start there have been over 100 000 units produced and sold in the countries world- wide guarantees liability of the all-purpose centre lathes. > SN 50 C is a universal centre lathe intended for piece ...
